Re: Navy Federal Credit Union or its Successor or Assignee vs. Kevin M Bove
Chapter 13/Bankruptcy No. 20-10799-amc

Dear Parties:

We have been advised by our client that payment in accordance with the terms of the Stipulation approved by the Bankruptcy Court have not been made.

In order to cure the default, it will be necessary for your client to pay \$3,094.92, to become current under the Stipulation through May 2023, as well as all subsequent payments and late charges that fall due until the date of cure. The arrears are broken down as follows: two (2) delinquent payments, each in the amount of \$1,497.46, representing April 2023 through May 2023; and attorney fees and costs incurred in the amount of \$100.00 for the preparation and mailing of this Notice.

You are hereby notified that you have ten (10) days from the date of this letter in which to cure the default set forth above and to pay any subsequent payments that become due in the interim. At the expiration of the 10-day period, if the default has not been cured, I will file a Certification of Default with the Court in order to obtain an Order for relief from the Automatic Stay.
